Comments

No, thanks for a fun class!

The camping trip was awesome! I think that doing the trip near the beginning of the semester really gets everyone to open up. I think it leads to a lot better discussions in the second half of the semester as well because everyone is a lot more comfortable with each other.

Thank you for such a wonderful experience. This course not only taught me so much about the benefits of nature on cognition and mental well-being, but it also taught me so much about myself and I am grateful I stepped out of my comfort zone to take this class. The camping trip is an experience I will never forget and I thank you for making it such an incredible and eye-opening experience.

Amy was a great teacher and this was one of the best classes I have ever taken. I learned so much and so much was applicable to our lives now. I recommend this class to as many people as I can

Thank you for a great semester!

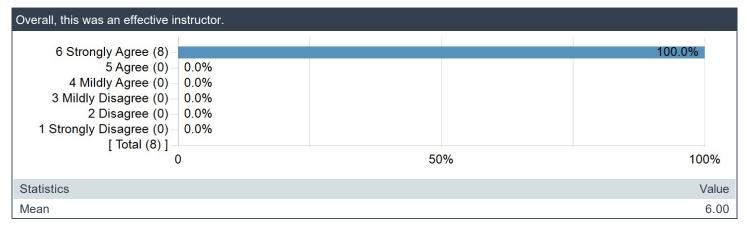

You have inspired and shaped me, thank you for an amazing class!
